I have spent the last 10 years growing into new disciplines. My background as an architect and graphic designer has shaped the way that I approach web development. My unique perspective and inquisitive problem solving skills make me a strong well rounded developer.

EXPERIENCE:

FINE a digital agency

• **Portland, Or** • **June 2014 - Present**

Web Developer

A digital agency. Focused on building brands and establishing online presences for those brands. Equal parts technology and design. My role on the team consists of creating web projects internal and external and performing ongoing maintenance on various older rails apps.

Notable projects: <http://shop.wearefine.com/> & <http://tools.smwe.com/> & <http://www.reddiamondwine.com/recipe>
Ruby / Rails / MySQL / SASS / JS / PHP / git / SVN / RSpec

Sandbox Studio • **Portland, Or** • **Jan - June 2014**

Web Developer

A photography studio specializing in post production. I worked on a proprietary photo production software to streamline the product photography process between warehouses, photographers, editors, and project managers.

Notable project: SBview (NDA)

Ruby / Rails / Postgres / JS / git / RSpec / Bootstrap

Chicktech • **Portland, Or** • **Oct - Nov 2013**

Intern Developer

A nonprofit organization dedicated to providing hands on opportunities for girls and women to engage with technology. Our team of 5 built a customized volunteer management system to increase volunteer engagement and collaboration.

Ruby / Rails / Postgres / JS / git / RSpec / Bootstrap
